

ADOPTED NOVEMBER 5, 2001
REVISED FEBRUARY 22, 2010

Descriptor Term:
SCHOOL SYSTEM ANNUAL REPORT

Descriptor Code:
1.0230

Legal References: G.S. 115C-276

Cross References:

As soon as possible at the close of every school year, the superintendent shall prepare and present to the board a comprehensive annual report on the general conditions of the system.

This report shall summarize the curriculum, special programs, and all other services provided by the system. It shall provide additional information of importance to the community on school operations and problems.

Upon board approval, this report shall be made available to the public.
