Rankings

The board strongly encourages programs and activities that recognize and reward excellence in student academic achievement, character and leadership.

A variety of programs, such as honor rolls, honor societies, and citizenship and leadership awards, may be implemented to recognize outstanding student achievement. The board encourages school recognition ceremonies and community recognition ceremonies to honor scholarship, and distinguished character and leadership abilities.

Administrators and teachers are responsible for developing and implementing various means of recognizing student achievement. When feasible, parental input should be solicited when schools revise or develop recognition programs.
