It is the desire of the board to establish and maintain bilateral attendance agreements with other school systems located in Catawba County under applicable statutes.

Although it is the responsibility of the respective board of education to provide for the educational needs of the students within their jurisdiction, this board may accept out-of-system students based on reasons stated in policy 4.2330. The board is willing to enter into reciprocal agreements for non-charging of tuition with other school systems located in Catawba County.
