Cross References:

The school system will seek to cooperate with community organizations, agencies and others desiring to sponsor activities in the schools in keeping with the purposes and educational aims of the school when such activities can be integrated into the school program without disruption or loss of instructional time for the student.

Organizations desiring to sponsor such activities must present their plans to the Assistant Superintendent of Curriculum and Instruction. All activities and competitions proposed by private or commercial sources will be judged on grounds of their educational and public relations contributions to the school system.

The sponsor of an approved activity will be responsible for the preparation and circulation, under the supervision of the system, of all informational materials and for other administrative work required in the grading, judging or evaluation of the work of the participants.
