Legal Reference: G.S. 115C-36, -47

Cross References:

To fulfill the educational goals of the board, the board shall seek as many sources of revenue as possible. Where appropriate, the superintendent is directed to seek public and private grants and funding for special projects as sources of supplemental funding. Employees also are encouraged to learn about special funding opportunities and to participate in the development of proposals to obtain the funding.

All applications for grants or specially funded projects shall be consistent with the educational goals of the board. When required by the funding agency, the proposals shall be presented for board approval. The board shall be notified of all funds awarded.

The superintendent shall establish any procedures necessary to develop an efficient and effective process for seeking special funding.
