

THE BOBCAT NEWSLETTER

Fall 2011

Welcome Back-The staff and students here at Blackburn want to thank all parents and students for a great opening to the 2011-2012 school year!

Blackburn Office Hours

Monday – Friday 7:30-3:30 pm

New Recycling Program

Blackburn along with several Catawba County Elementary School has begun to recycle all Styrofoam lunch trays.

Construction

The Blackburn Elementary School office will be receiving a face lift over the next few weeks. The entire office area will have carpet removed and replaced with tile by Catawba County Schools Maintenance. This will take place at all schools in the district over the next few years. Classrooms will also have carpet removed and replaced with tile here at Blackburn but that will take place over the summer over the next few years. Please excuse our mess in the office as we work to improve our school.

Changes to the Normal Daily Procedure

Parents must provide the teacher with written notification of any change in the child's transportation with specific dates indicated. **Telephone calls to report transportation changes are NOT accepted due to safety and verification reasons.**
