Compliance Listing

This custom play structure, drawing number PWC08273, has been designed to meet the requirements of the ASTM F1487-07 standard. In the interest of playground safety, IPEMA provides a Third Party Certification Service whereby a designated independent laboratory validates a participant's certification of conformance to ASTM F1487-07, except section 12.6.1. In addition to the overall layout and design of this playstructure, the play components listed here in are IPEMA certified and as of Tuesday, September 30, 2008, and listed as IPEMA Certified Product on the IPEMA website, www.ipema.org. Check the IPEMA website to confirm current product validation. Products listed as Not Applicable do not fall within the scope of the ASTM F1487-07 standard and therefore they have not been tested to the standard.
