

Challenger Early College
Student Supply List
2011-2012

To successfully accomplish tasks and required assignments, the following are standard supplies for all students:

- Loose leaf paper (already 3-hole punched, wide or college ruled is okay)
- One pack of tab dividers (5-8 tabs needed)
- Two 3-ring binders (one needs to be 2 inch, one needs to be 3 inch)
- One supply pouch that holds: colored pencils, writing pencils, pens (blue or black ink only), mini-stapler with staples, glue stick, tape, highlighters, scissors
- One pack of graph paper (for students in math classes only)
- One pack of index cards (lined or unlined cards are okay, graphing cards are okay, any size is okay)
- One spiral notebook (one subject, wide or college ruled is okay, for Integrated Math classes and high school science classes only)
- 3-hole puncher (fits in 3-ring binder)
- USB flash drive (at least 2 GB)

College instructors and high school teachers can require additional supplies as listed on their individual syllabus.

Highly recommended but not required items to consider:

- Book bag or backpack: CHS students are free to use whatever kind of book bag or backpack that they choose. Rolling backpacks are acceptable on campus. Please remember that CHS students move around the entire CVCC to get to class and are responsible for transporting their books and supplies.
- TI-84 Plus Calculator: CHS students will use a TI-84 Plus Calculator in all high school and college math classes. Students can sign a responsibility form and check out a calculator from the Challenger Textbook Room.
- Personal Laptop Computer: Students will use computers in some capacity for every high school and college. Students have access to a number of computer labs across campus. Students that select to purchase their own laptop are encouraged to have at least 256 K memory, a wireless interface, and the Microsoft Office software package. Note: students are responsible for planning time with an available, working computer/printer in order to complete assignments.
