Each grade level will have a jar in the Nest. For each penny you receive 1 point. For each nickel you receive 5 points and each dime 10 points. For every quarter 25 points are deducted.

The idea is for your grade level to accumulate as much money as possible but to use your quarters in the other grade levels jars to reduce their points.

Moneys contributed will be donated to a local Back Pack Program to help feed hungry children.

See your class SGA Representatives. They will be in the Nest from Mon. 23rd thru Wed. 25th with opportunities for you to participate in decorating class Banners for the Pep Rally and Lockers for class points.
