The athletic programs at Fred T. Foard High School offer our students an outstanding opportunity. Academic excellence, sportsmanship, and competition are the common goals of this school's administration, coaching staff and the FTF All-Sports Boosters. As a result, our athletes are dedicated students who participate on teams that have won Conference, Regional and State titles. We are very proud of these students who have shown dedication to their sports, to each other and toward personal improvement.

The Catawba County School Board provides funding for high school team sports. However, the amount of funding provided by the county is insufficient to cover the full costs of uniforms, equipment, transportation and field maintenance. Each school must raise the additional funds required to support its teams and pay for capital improvements that benefit all students. The FTF All-Sports Booster Club exists to help Fred T. Foard High School meet these additional funding challenges. **You will see our current budget to the left.** We count on your continued support by your membership in this organization, participation in fund raising activities and your attendance at sporting events to help us meet our financial goals.

**We are asking that you get involved!** It's more than just money we need...we need all kinds of volunteers. We need you to share your talents and connections. People are needed for field maintenance, concession staffing, and fundraising coordination. Join us for our monthly meetings and get involved!

**'10-11 Booster Meeting Schedule: 9/13, 10/11, 11/8, 12/13, 1/10/11, 2/14, 3/14, 4/11, 5/9, 6/13**
