## Are you a Leader?

Students interested in serving on the Hickory City Youth Council for the 2010-2011 school year need to see Ms. Carter in the counseling office for an application. Hickory Youth Council members serve in an advisory capacity to City Council, perform service projects, and learn about city departments.

# JROTC

The Fred T. Foard JROTC Battalion hosted its annual invitational Raider Team competition at Southside park in Newton, North Carolina. There were 12 schools from North Carolina and South Carolina who participated in this meet and the competition was extremely tough. There were five major events that included the Physical Fitness test, First Aid Litter Carry, Vehicle Pull, Rope Bridge, and the 5 kilometer run. The FTF Gold Ranger team won the First Aid Litter Carry, Rope Bridge, and the Vehicle Pull. They also placed 3rd in Physical Fitness and the 5k run. Their efforts resulted in a 2nd place finish overall for the competition. The Gold Team led by David B., consisted by Anthony C., Luke S., Rebecca C., Courtney H., Kaitlyn R., Dillon M., Patrick S., and Alex R. The JROTC Raider Team represented FTF well, so please congratulate them on a job well done.

## Athletic Boosters

Our Athletic Boosters here at FTF will be hosting their first annual Golf Tournament on May 15th at Rivercrest Golf Course. We also encourage to get this information to those of you who know of golfers that might be interested in this event (family and friends). This is a fundraiser for our athletic boosters to help towards our athletic programs here at Foard.

## Interested In Becoming An Umpire?

A camp geared toward high school students (age 16 and up) to become a baseball umpire, it will be held at Foard starting Sat. May 22nd. This is a great opportunity for training for a summer/college job. For more details see Coach Keener or e-mail him at: [maskumpirecamp@gmail.com](mailto:maskumpirecamp@gmail.com)

## Parent University

A Parent University experience has been planned for April 24, 2010 at CVCC. The intent of the Parent University is to engage parents of all three local school systems in being active participants in their child's education. The Parent University will include 15 different workshops for parents, with experts presenting on topics such as effective parenting, preparing for college, internet safety, identity theft, and a broad range of topics.
