“Tiger Pride”...the athletic programs at Fred T. Foard High School offer our students an outstanding opportunity. Academic excellence, sportsmanship, and competition are the common goals of this school’s administration, coaching staff and the FTF All-Sports Boosters. As a result, our athletes are dedicated students who participate on teams that have won Conference, Regional and State titles. We are very proud of these students who have shown dedication to their sports, to each other and toward personal improvement.

The FTF All-Sports Boosters are an active organization of parents that believe in the school, the athletic programs and the coaches. This group is involved with improvements to facilities, raising the funds to purchase necessary supplies and equipment to make our programs excel. Our student athletes deserve a quality facility in which to showcase their talents. It is the mission of the Boosters to make that a reality!

The funds raised through this tournament will allow the continuation of quality programs at Fred T. Foard High School. Please join our efforts and enjoy a day of fellowship with old friends and alumni as the Boosters host this golf outing. And don’t forget to show your...**TIGER PRIDE!**
