

Our Shining Star

We want to say a “BIG” Congratulations to our Jacobs Fork Shining Star, Pete. Pete was also selected as a Catawba County Schools Shining Star over all the other middle school nominees.

A **SHINING STAR** is a student who truly exemplifies good character and goes the extra mile in everything he does. It is a student who is a good citizen and displays random acts of good character both in and out of school.

Congratulations Pete for being selected as the Shining Star here at Jacobs Fork and for the county—Wow, that’s awesome!!
