

## About Mrs. Kimberly Yancey

Kim Yancey has been the Assistant Principal at Lyle Creek Elementary since 2008. Prior to coming to Lyle Creek, she taught kindergarten for thirteen years and second through fourth grade for six years. Mrs. Yancey earned her Bachelor of Arts in Early Childhood Education in 1989 from Lenoir-Rhyne University and her Masters of Administration from Gardner Webb University in 2007.

Mrs. Yancey lives in Conover, NC with her husband (Alan) and they have 3 grown children.

I am excited to be apart of the “Lyle Creek” family. One of my favorite daily activities is going into all the classrooms to see students excited about learning! I am thankful for all the support we receive from our families and our community.
