OXFORD ELEMNETARY SCHOOL
TITLE I PARENT INVOLVEMENT POLICY
2011-2012

Oxford Elementary School staff in collaboration with our Title I Parent Advisory Board (PAC) has developed and agreed upon this Title I Parent Involvement Policy. The main focal point of this policy is to encourage, foster, and increase parent participation in the development and implementation of our school programs. Our staff and parents are instrumental in creating a positive and nurturing climate for all students. This will have a direct correlation to our Title I students meeting school's, district's, and state's academic standards.

Oxford Elementary School Title I Advisory Council (PAC) is comprised of Title I staff, parents of Title I students, and the administration. Our council will annually update the Parent Involvement Policy by utilizing the information given by our Title I parents. This is a working document that is available for parents and community members to review online and a hard copy is available through a written request.

This Title I Parent Involvement Policy was devised by adhering to all Title I requirements and is a working document. Title I funds are utilized, if needed, to provide parents with services and opportunities to attend our meetings and workshops. The Title I funds will help provide our parents with children's transportation, materials, incentives, and refreshments.
