

Dear parents,

In an effort to accommodate busy family schedules, I provide all homework on Mondays. Homework is meant to be a review of skills and practicing of strategies taught in class. You can expect our homework to be predictable and an extension of our lessons.

All sheets will be attached. They include:

- Spelling words and work (a Choice Board is located in the HERO Binder and should stay there! Please go green and use front and back of the paper! You do not need to write on the choice board-just in the notebook.
- Math Skills practice-Our math program has a nightly homework practice sheet. I will pick and choose a few for each week.
- Reading Log-There is a place for parents to initial each night after reading. Our reading log will be kept on this sheet. Students will trade in for new books each Monday and Wednesday. They will take AR tests on these days, too.
- Book Projects-Each month we will complete a Monthly Book Project. This will be sent home at the beginning of the month and due the last day of the month.

All work is due by Friday. Homework is checked for completion and accuracy. I do not grade homework; but instead give a participation grade each 9 weeks. Any work not turned in will be completed during Free Choice time-regardless of whether or not the student earned time or not. Completion of work is more important at this time!

If you have any questions, feel free to contact me after school, by email, or during planning.

*If at any point your child is unable to complete an assignment on their own, please write a note on the assignment! I will reteach the skill in a small group or one-on-one.

Remember-never work harder on homework than your child! 😊
