Sweet Week of Learning

Reading

We will be reading Tara and Tiree this week. We will focus on sequence and r-controlled vowels (ar, or, ore), and review nouns.

Math

We will have a mini-unit on geometry this week. We will identify triangles and angles, learn about parallel lines, and classify quadrilaterals.

Science

I expect our pet mealworms to arrive any day now! We are awaiting their arrival to begin our unit on insect life cycles.

Important Dates

12/8-Progress Reports

12/13-2nd grade Play

(wear brown if you are a bear)

12/20-Early Dismissal

12/21-31-No School

12/24-Happy Birthday Bashir

WORDS TO KNOW

Reading-connections
Math-quadrilaterals, lines,
acute (small angle) obtuse
(big angles) and right
(square) angles

Notes from Mrs. Lamb

All I want for Christmas is...well, we need classroom supplies! We are very low on Kleenex/tissues, skinny EXPO dry erase markers, paper towels, crayons, liquid glue and glue sticks. If you are able to send in any of these I would consider it a wonderful holiday gift!

If you can, each student will need a clear ball ornament. These come in 4 and 6 packs at Hobby Lobby, AC Moore, and Michaels. We will need 24.
