

2<sup>nd</sup> Grade

Stockings

Dear 2<sup>nd</sup> grade families-

The stockings are hung by the window with care... and if you'd like to send something to stuff them with, we'd love it! ☺

Each student in our class has made a Christmas stocking and they are waiting for our Christmas party! If you are able to send 21 small "somethings" for the stockings, we would appreciate it! *Please do not feel you must send in anything, this is completely optional and all children will receive a stocking.*

You can send whatever you'd like, but some ideas of things for the stockings include:

- 21 Holiday stickers
- 21 Small candies or snack cakes
- 21 Pencils
- 21 Erasers
- 21 Small toys or other goodies

Our Christmas party will be on Monday, December 19. I would like to have the stockings ready to go on that morning so if you can send in your goodies on or before Friday, December 16, that would be really helpful! ☺ Mrs. Lamb

Thank you for making this Christmas treat successful!
