

100th Day Challenge

This week, to celebrate the 100th day of school, you are challenged to read a total of 100 minutes at home. You will record the minutes you read each night along with the title. For example: If you begin reading at 5:00 and read until 5:40—shade in the clock from 5:00–5:40. Then write the number of minutes you read on the line. You will turn in Friday. Good luck!
