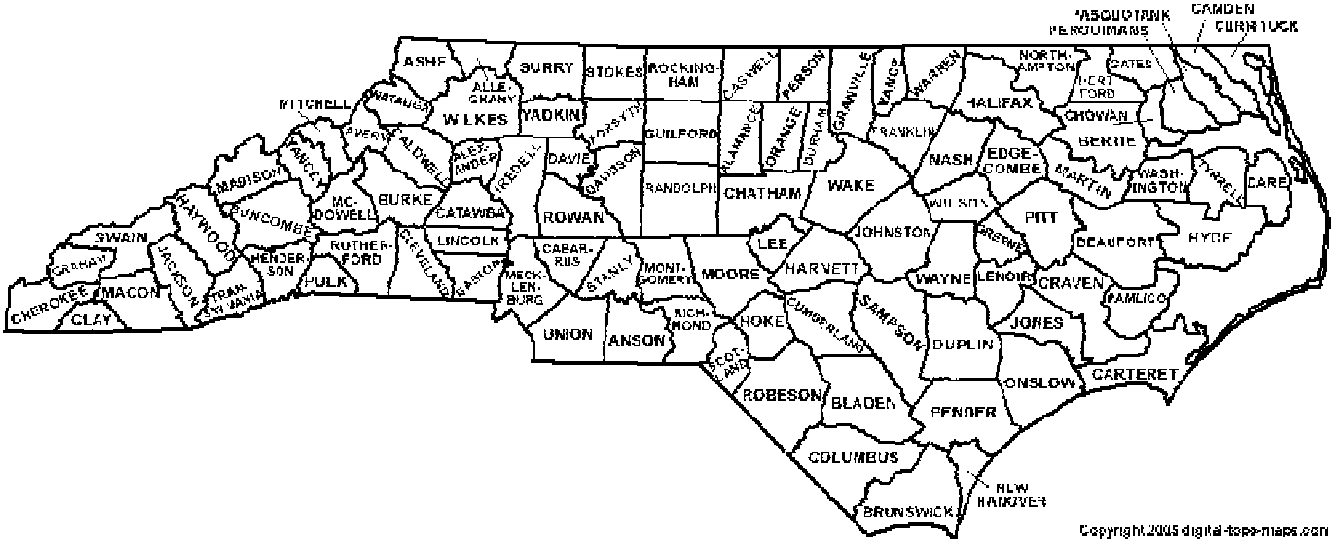
North Carolina County Projects



Copyright 2005 digital-topo-maps.com

Requirements:

- Draw clothing/accessories you would need (depending on what region your county is located), must be labeled and have an explanation
- Create a graph of your choice comparing your county's population to North Carolina's total population (label x and y axis, give title, color)
- Identify your county's largest city
- List a few of the tourist attractions
- Name any famous people from the county
- Cut out the NC map above and color the location of your county

Directions: You will be provided with a 9x12 sheet of paper. Fold it "hamburger style" and decorate the outside like a suitcase (see below). Write **"I packed a suitcase to _____"** *on the front (ex. I packed a suitcase to Catawba County).* Decorate with other places you would like to visit or have visited in North Carolina. These can be stamps, bumper stickers, any label you can create and draw on your suitcase. Since there are 100 counties in NC, we will present projects on the 100th Day of school, _____.
