It’s time for...

Track Attack!

Get ready...the Fourteenth Annual Track Attack is coming soon! Track Attack is an exciting walk-a-thon on the track at Clyde Campbell to exercise our bodies, raise money for our school and have a GREAT time together. Every student and teacher will have the opportunity to run/walk for 40 minutes and collect pledges for their hard work. We have seen many parents, grandparents, aunts, uncles, friends and neighbors come out to support our students and teachers. Great music and smiling volunteers keep spirits up!

Funds raised will help the school purchase items on its wish list such as:
- Smart Boards
- Nooks
- iPads(ESL)
- iPad Apps
- Printer Toner

If you would like more information about volunteering, please contact Ann Tarantino @ 449-6624 or anttarantino@mail.com

We look forward to seeing you as Clyde Campbell “Attacks the Track”!

Please see page 2 for additional information.

Hello Clyde Campbell! My name is Amy Phillips, and I will be your new school nurse. I grew up in Caldwell County; however I have been residing in the Clyde Campbell district for thirteen years. I have been married to my husband Lee for 10 years. Even though we don’t have any two legged children, we do have two four legged children named Oreo Cookie and Coco Pebbles. My hobbies include swimming, hanging out with family and friends and camping in “my condo on wheels”. I am a ’92 graduate of West Caldwell High School, a ’96 graduate of CCC&TI with an AS degree in nursing, and most recently I graduated from ASU with a BS in Nursing. Additionally I am certified in school nursing and have been a school nurse for almost 10 years. I am a member of the School Nurse Association of North Carolina and chair the Committee of Standards and Practice for the nurse association. I am very excited about getting to work in the community where I live. I will be leaving my current schools of Maiden Middle and Startown Elementary where I have been serving as their school nurse for nine years and eight years, respectively. I look forward to getting to know all of the children and families at Clyde Campbell.

Information regarding directories will be going home in the coming weeks. Please be on the lookout as you will need to verify the information on the form and send it back!! Directories will be on sale for $3 each.

Thank you to all our families that ordered Spirit Wear.

Orders will be sent home in early October.

The Coupon Book Fundraiser is now over! Thank you for helping to make it a success! We raised $5,700 to support various programs at Clyde Campbell. Our top seller was Karter K. in Mrs. Reep’s 4th grade class.

Congrats Karter!!
The Clyde Campbell **Science Olympiad Team** is currently accepting applications for the 2015-2016 school year. If you are a 4th, 5th or 6th grader and would like to contribute to the Science Olympiad Team by learning about the events, helping to find solutions to problems, researching and documenting sources, collaborating and cooperating with fellow team members and representing your school with a positive and helpful attitude, then please pick up an application in the front office. Team members will be selected based upon ability, availability, experience, and teacher recommendations. All applications are due by Monday, October 5th to Mrs. Guptill.

Mrs. Ross, our literacy facilitator, needs volunteers to help sort, label and bag books for our literacy resource room. Spreadsheet savvy? You are the gal/guy for her. Training will be provided. If you are interested in volunteering please email her at joanna_ross@catawbaschools.net.

**ONLY 12 more Fridays ’til Christmas!!**

**SANTA LAND** will be held from December 7th-11th this year. Love kids? You can volunteer to help them pick out a gift for their loved ones. Not such a people person? You can count inventory. There is a job for everyone! If you haven’t had a chance to sign up to be one of Santa’s helpers, please e-mail Tiffany Kerns: tiffanyjkerns@gmail.com.

Calling all 4th, 5th, & 6th grade readers! Try-outs for the Elementary Battle of the Books (eBOB) team will be on Friday, Oct 23, after school until 4:00. The test will consist of a title & author matching and a couple of questions from each book. The questions are in the format of “In which book...?” and the students will write the title of the book.

Tryout date: Friday, Oct. 23, 2015 (until 4:00pm)  
Team announced: by or on Friday, Oct. 30  
Practice dates: Tuesdays listed below until 3:45. Pick up is in the front parking lot.  
This year’s list of books is available online and in the library. Students can come by the media center to pick up more information. Students should read as much as possible from the list in order to be able to do their best work during the try-out test.

**Stand Up and Sign Up for Watch D.O.G.S.**

Calling all dads, uncles, grandfathers, and father-figures! This ‘Dads Of Great Students’ organization is designed to schedule fathers and father-figures to be at Clyde Campbell during the school day to enhance security and provide positive male role models for our kids. The time commitment is small, and the benefits you’ll see from the children you interact with are immeasurable. We already have a great group of gentlemen committed to this and are hoping to add more to our roster.

If you are interested in learning more, please contact Dan Midea at 261-5672 (call or text) or dmidea@charter.net. You may also visit [www.fathers.com/watchdogs](http://www.fathers.com/watchdogs) for more information about the program.
Tennis Shoes
Tennis shoes are required in PE for safety reasons. Students have PE every other day on the rotation schedule. Please help your child learn the schedule so he knows when to come to PE in tennis shoes. If your child wears flip flops, sandals, or Crocs he will not be able to participate. Your child also needs to know how to tie his tennis shoes. With limited time in PE, Mrs. Markland does not have time to tie shoes.

Unicycle Club
Unicycle Club begins Monday, October 5th. The club meets Mondays from 2:30-3:15 pm in the gym. Students must be picked up at 3:15 pm.

Fitness Testing
Grades 3-6 will participate in physical fitness testing in October. The test we use is called FIT-NESSGRAM. This program emphasizes personal fitness for health rather than goals based on performance. Students try to meet the criteria to be in the Healthy Fitness Zone for their age group. Students are tested in aerobic capacity, body composition, muscular strength, endurance and flexibility. The major purpose of FIT-NESSGRAM is to provide students and parents with personal information regarding current level of fitness.

Labels for Education
Help us purchase PE equipment by clipping Labels for Education. Campbell Soup Labels as well as Swanson, Franco American, Pepperidge Farm, Prego, Spaghetti O's, V8, Pop Secret, BIC and Wolfgang Puck are all part of the program. Send your clipped labels with bar code to school with your student.

Castle of Cans
Send in your canned food by October 5th!

The Youth Advisory Council (YAC) is collecting canned food items NOW through October 5, for the annual Castle of Cans! Send in canned food items (only cans, please!) with students to place in collections barrels at school. The cans will be delivered to the “castle building site” (Union Square) next week.

This year marks the 17th year that a Castle of Cans will be built at Hickory's Oktoberfest (held in downtown Hickory, on Union Square, October 9-11). The food drive is the community service component of Oktoberfest, showing our community's support for the many who are struggling to feed their families. The Castle of Cans has been helped over the years in filling the shelves of area food pantries and soup kitchens.

All canned food will be distributed to eight area agencies, The Corner Table of Newton, Eastern Catawba County Cooperative Christian Ministries, Exodus Homes, The Family Care Center, Greater Hickory Cooperative Christian Ministries, The Hickory Soup Kitchen, The Salvation Army, and Second Harvest Food Bank.
